

Roylene Cunningham has been an active member of A&WMA since 1994. Roylene has served as PNWIS 2009 Annual Conference Technical Co-Chair, PNWIS Secretary, PNWIS Technical Committee Chair, and as a Board of Director for both PNWIS and the Puget Sound Chapter. She is currently serving the roles of PNWIS Vice-Chair, PNWIS Awards Committee Co-Chair, and the Puget Sound Chapter Chair.

Roylene has a Bachelor of Science Degree in Chemical Engineering from the University of Missouri-Columbia. She has over sixteen years of experience in the air quality field and is currently working as an environmental engineer for EPA Region 10 in the Office of Compliance and Enforcement. Prior to joining EPA Region 10, Roylene worked for a local air quality agency in Kansas City, Kansas where she enjoyed being an active member of the Midwest Section of A&WMA, serving on the Board of Director's, as well as Vice-Chair.

In her spare time, Roylene loves sports and can often be found at a local sporting event.
