

The Montana Chapter of the Pacific Northwest International Section (PNWIS) of the Air & Waste Management Association (AWMA) is now accepting abstracts for the 50th annual PNWIS conference, November 3-5 in Missoula, MT. The theme this of this year's conference is: Training our Future Environmental Professionals.

Abstracts should be limited to 300 words, and should be focused on an environmental topic of interest to the AWMA / PNWIS community. The deadline for submitting abstracts is August 15, 2010 for professional presenters and October 1, 2010 for students.

You do not need to be an AWMA member to submit an abstract. However, if your abstract is accepted for presentation, the presenting author must register for the Annual PNWIS (Missoula) Meeting. One-day registrations are available.

Please send all abstracts to Cal Loomis (Bison Engineering) at:
